

Britton-Macon Area School Educational Foundation

The Britton-Macon Area School Educational Foundation was established to enhance the educational opportunities of the Britton-Macon Area School, including scholarships for students, alumni, and teachers and for capital improvement to the Britton-Macon campus.

One goal of the Foundation is the further development of the athletic complex.

Britton-Macon Area School continues to have great athletic programs because we have strong community support and great fans!!

Thank you for helping us fulfill our dream of building a high quality athletic complex and allowing our young athletes the opportunity to compete in tournament events, making us a stronger team.

Helping build the athletic complex is helping the community.

How to Share the Goal:

Buy-a-Brick: \$100 -\$200

Purchase a brick for your children, a memorial, a gift, or just for you. The brick will be engraved with your personal message and will be featured in the construction of the new Britton-Macon Area School Athletic complex.

I would like to make a contribution for:

_____ **Athletic complex**
_____ **Foundation general fund**

Make Checks payable to:
Britton-Macon Area School
Educational Foundation
201 College Ave.
Britton, MI 49229
