Seniors! Seniors! Seniors! Don't let this chance pass you by! Please look through this list, check out the websites or circle the scholarships that you are interested in and give this list back to me. I will put the applications in your student mailbox

Tips for a winning scholarship application:

- ~ **Be yourself** . When filling out scholarship application forms, be complete, concise and creative. The judges want to know the real you.
- ~ **Complete the application in full** . Do not leave a question blank. If you're not sure a question applies, make a note on the application - just don't leave any questions blank.
- ~ **Neatness counts** . Proofread the entire application carefully for misspelled words or grammatical errors. Ask a friend, teacher or parent to proofread it as well.
- ~ **Watch all deadlines** . To help keep yourself on track, make your own deadline at least two weeks before the official deadline. Use the extra time to make sure everything is ready on time.
